Admission to M.Tech Programme for Academic Session 2021-2022
INFORMATION BROCHURE

1. ABOUT THE INSTITUTE

Indian Institute of Information Technology, Bhagalpur (IIT Bhagalpur) is one of the IITs set up by MHRD, Govt of India in Public Private Partnership (PPP) mode and it is an institute of national importance. It started functioning from the academic year 2017 in the city Bhagalpur. Bhagalpur is a city of historical importance on the southern banks of the river Ganges in the state of Bihar. The region has witnessed great educational history by having ancient universities such as Vikramshila University and Nalanda University. Indian Institute of Information Technology Bhagalpur is a joint venture of Govt. of India (50%), Govt. of Bihar (35%) and BELTRON (15%). The institute is fully residential and has separate hostels for boys and girls with proper security arrangements and other facilities. The institute started functioning from the year 2017 with B.Tech courses in two branches, namely Computer Science & Engineering and Electronics & Communication Engineering. Later considering the need of skilled manpower in the industry in the field of automation a new branch called Mechatronics Engineering was introduced in the year 2018. To excel in the field of research in the respective areas the institute will start M.Tech and PhD program in the respective areas from this academic session. The institute has well equipped State of Art Laboratories to provide real time experiment-based hands on experience to students. IIT Bhagalpur has also well qualified and experienced faculty from IITs/NITs etc., and dedicated supporting staff.
